2009, observer of the district chapter Goerlitz (following the merging of the chapters Loebau-Zittau, Goerlitz, Niederschlesischer Oberlausitzkreis). He has been a member of the CDU since 1999 and has been press officer since 2006 as well as deputy district chair of the CDU group Goerlitz since 2008. Meyer has been working as a research assistant in the federal state government of Saxony for Roland Woeller. He has also worked for the Saxon environmental and agricultural ministry in the framework of a research leave; more specifically he worked within the realm of emission protection regarding specific facilities in the context of the scientific discussion of the European emissions trade. Meyer has been termed as the political protégé of Heinz Eggert, who represented the constituency for years and reached high scores in elections.

Since September 2008, he has been the personal referent (official advisor) to the district administrator in the administrative district Goerlitz. Meyer was also a direct candidate in constituency 60 during the elections to the Saxon federal government 2009. According to the local press, he displayed an active election campaign, without much opposition by the other direct candidates. He is the spokesperson for environmental policy for his party and his part of the committee for the rural areas, environment and agriculture as well as the committee for science, higher education, culture and media.
