M 16

Connector Sourcing & Wire Harness

HEC ...Since more than 30 years manufacturing cable harnesses + connector sourcing

- ➡ From molding tool to finished complex cable sets
 - ➡ Up to date equipment at HEC China manufacturing plant
 - ➡ High speed Test (Eye / Next / Fext / PD..)
 - ➡ Specials
 - ➡ HEC Patented Shieldings
- 

HEC Electronic Vertriebs GmbH

Kabelkonfektion seit über 30 Jahren / Wire Harness since more than 30 Years

Fokus auf Industrie, Maschinenbau, Medizin-, Daten- und Telekommunikationstechnik

Focused segments are medical, data, telecom, robotics & high tech machines

Sonderanfertigungen / Specials

For all electronic segments

Systemlösungen / Systemsolutions

Vom Prototyp über Kleinmengen bis zu komplexen Kabelsätzen

From prototyping to complex cable & wiresets & value adds

Global Manufacturing

Nach höchsten Qualitätsnormen

Acc. Highest Quality Procedures (ISO / UL / EICC)
